

Hello all,

Today we have a couple of treats for you! Both are links to be found below. Both have the theme of stained glass.

I love stained glass (I don't think I'm alone in this!) and am so grateful to Mary and Kirsten for bringing Kitchissippi to us! Thank you to Mary, who embraced technology and produced this lovely video (Familiar places) and theological reflection! Thank you also to Gavan, Liz, Michelle, Wendy, Bill, and Doug who participated in the musical offering! What a gift!

We are working behind the scenes today - your Worship Circle meets this morning, the Finance Ad Hoc this afternoon, and KUC Council meets this evening!

See a lot of you today, virtually! If you have any questions about any of this, please do write to me or to anyone on these groups!

Take good care,

Blessings,

Jenni
