

Hello all, from Rev. Jenni

Hope this email finds you well! I wonder if you love the heat and humidity or if you find the cooler days and nights we've been having more enjoyable?

Both have been helpful for our gardens, that's for sure!

While the building remains closed, Kitchissippi is still active in a few ways.

Tuesday

The Broadview Reading Club had been meeting weekly throughout the year and for the summer met once in July and will meet tomorrow, Tuesday, August 11th from 1-3pm. We will be discussing the article "Affirming All: The church-led fight against conversion therapy", found on page 54. You can also read it online if you don't receive the magazine: <https://broadview.org/ucc-conversion-therapy/>

Wednesday

The Worship Circle meets at 10am, under the leadership of Denise Bonomo. If you have any questions or comments to add to our work, please forward them to me or to Denise: denisebonomo@outlook.com

Plus, a new **Musical Reflection** Video from Gavan Quinn and the Kitchissippi United Choir!

Thursday

The Men's coffee club meets on Thursday mornings for distanced (bring your own) coffee time, outside at the church. If you'd like to join that, please be in touch with Doug Patriquin patriquinfam@sympatico.ca

Sunday

Worship continues live on Sunday mornings from 10-11am at rideaupark.ca and if you miss it on Sunday morning, please go to the same website and look in the Webcast Archives to find past services.

Anytime

If you need to talk or vent, please let me know? I'm here to listen!

Blessings for a beautiful summer week,

Jenni
