SUNDAY MORNING WORSHIP LIVESTREAM - 10AM

MESSAGE FROM REV. JENNI

Good Friday to you!

I hope this finds you well!

We are midway through Black History Month. Over on both the Kitchissippi and Rideau Park Facebook pages, the Revs. Elizabeth, Steve and I are posting video clips and films once per day, to help highlight our desire for the church to become Anti-Racist. (If you don't have FB, I will add the links to the end of this message so that you can take a look.)

Rev. Elizabeth spoke in her sermon Sunday about not knowing that Scott Joplin was black. We had a discussion about this at the Broadview Reading Club and I found this article that helps explain further why it is important to see colour and therefore racism. I try to find Canadian sources; this one is from B.C. <https://thetyee.ca/Analysis/2020/10/15/Beyond-Not-Seeing-Colour-Statement/>

There is so much information out there that we can read and watch to educate our white selves and I hope that this month you might take advantage of that.

Here is a great Meditation practice:

Here is a great article by a colleague at General Council offices: <https://united-church.ca/blogs/round-table/get-over-it-or-confront-it>

Here is a whole play, released just before the pandemic hit last year, forwarded by Sian, who is a friend of the playwright. Sian writes: 'Unfortunately for her it didn't get much of an outing as it began its run at the beginning of the pandemic. Theatres closed pretty quickly. How frustrating. However, the theme just keeps resonating if you consider the protests last summer, discussions around reparations, etc.. It's about a little known chapter in British history (which also impacted colonial Canada) whereby the price for abolition of the slave trade in the UK was that the SLAVE OWNERS got recompensed, not the slaves! It's now been released for a short time on YouTube until mid March.' <https://www.julietgilkesromero.co.uk/>

Thursdays 2021 is Virtual Coffee Time from 1:30 pm - 3 pm.

You can come and join us for a little bit or the whole time: there are no rules! Imagine yourself in the church hall after a church service, you've just filled your mug with steaming hot coffee and you turn and look around and think: who do I want to talk to this morning (except it'll be in the afternoon)? We all look forward to the Church hall coffee/tea and conversation, and until then, we will meet this way for everyone's safety. And, sadly, you have to make your own coffee or tea ☺

OUTREACH UPDATE AND INVITATION

INVITATION Central Ottawa Cluster ZOOM Event
Saturday, February 13, 2021 (10 am to Noon)

The Central Ottawa Cluster (COC) is a group of six United Churches in Ottawa who have made the decision to explore the potential for supporting and participating in each other's ministries. The COC initiative is spearheaded by Claire Savage, a candidate for ministry. Claire is supported by a Lay Supervision Team (LST) comprised of representatives of each of the six churches: First United, Glebe St. James, Kitchissippi, Centretown, St. Paul's Eastern, and Dominion-Chalmers. The COC is an innovation in collaboration within the United Church.

The COC has identified several areas of common interest for ministry and outreach. These include developing a proposal for an Ottawa branch of the Stone Soup Network; providing support to

frontline workers who are engaged in addressing the significant challenges faced by the disadvantaged in Ottawa; addressing the food security gap in Ottawa; exploring the potential to engage in Indigenous issues; and finding ways to reach out to isolated seniors, many of whom are facing exacerbated loneliness during this pandemic.

The event planned for February 13 will be the second such event hosted by the COC, and will build upon the success of the inaugural October 3 ZOOM event. The areas of common interest identified above will be the subject of presentations and discussion in plenary sessions and in virtual breakout rooms. There has been encouraging progress made in several areas, despite the challenges inherent in the pandemic constraints we are all living with.

The ZOOM event on February will be unique, however, in that it will include a covenanting service for Claire. In addition to Reverend Jenni who is also Claire's Learning Supervisor, the ministers from the other COC churches will also play key roles in the covenanting service. This will be a wonderful process to observe and participate in, given the special involvement of six churches in covenanting with a young, energetic future church leader. We hope you can join us at 10 am on the 13th.

Note: The zoom account is with EOR (Eastern Ontario and Outaouais Region) in Whit Strong's name but he is not involved in the booking).
