**THIS SUNDAY- JUNE 26, 2022**

We look forward to seeing you at the picnic on Sunday!

We'll be bringing along some simple percussion instruments for anyone who wants to join in a little music improv for our final hymn, and maybe a tiny jam session afterwards...

If it's raining we'll meet in the Church hall instead.

**Sunday June 26 - Church worship service and picnic Champlain Park 140 Carleton Ave.**

KUC will gather at Champlain Park for our annual picnic at 10:00am. We are arranging food differently than in past years, to make the event simpler in terms of food and furniture. Instead of sandwich and dessert buffets, we are asking each person, who plans to attend, to make a "box lunch" that will be exchanged within the group of participants. Please list allergen ingredients on the outside (i.e., Wheat, eggs, milk, nuts). In addition to the food, you are asked to include an inspirational saying, poem, or prayer. These will be read out during the service. If you have special food needs, please make a box lunch for yourself. We will add an inspirational note. In addition to the food, please bring a lawn chair or blanket to sit on and a drinking cup. Iced tea and lemonade will be provided. ALL WELCOME!

*Kitchissippi and Master Gardeners celebrate our Alcove Pollinator and Heart Gardens, Saturday, June 18, 2022--*  
**Watch the video starting at 10 am this Sunday!**

Kitchissippi's Youtube channel: <https://www.youtube.com/channel/UCwATU1rozB1PIIaRmr2teVA>

On Sunday morning this week, we are holding our annual picnic at Champlain Park or, if it rains in the morning, in the church Hall.

If you're at home at 10 o'clock, or any time after that, you can watch a delightful video highlights presentation of last Saturday's celebration of our Alcove Garden and our renewed Garden of Hearts, in place of our usual livestreamed service. The Master Gardeners of Ottawa-Carleton, our partners in the Alcove garden, explain how the pollinator garden works. You'll see kids galore enjoying traditional and humorous

stories about monarch butterflies, and painting hearts for Kitchissippi's own Heart Garden. There's drumming by indigenous friends, gorgeous music by Liz Snelling and warm words from Rev Jenni.

The video lasts less than thirty minutes, and is well worth your time, on this early summer's day.

## STUDENT SUMMER EMPLOYMENT AT KUC

**Kitchissippi UC invites applications from youth and young adults seeking summer employment.**

The Education Outreach Program Coordinator will help to enthusiastically plan and deliver engaging educational programs and learning events. With input from our ministry team and leadership circles, the coordinator may work on a variety of projects and topics such as Indigenous Right Relations and Reconciliation, environment, equity, and Affirming LGBTQ2+.

This job has some flexibility in approach and candidates can identify their strengths and interests.

We anticipate a mix of remote and in-person work; a workspace will be available at Kitchissippi United Church (630 Island Park Drive).

Activities to include helping to create intergenerational and child/youth programming on themes of social justice, equity, and ecology, with mentorship from experienced educators.

Help prepare and co-host webinars and in-person gatherings through the summer (could be children's program hours, guest speakers on equity and allyship, music jam sessions, documentary watch parties, nature walks, etc.)

Help prepare, source, and deliver engaging at-home learning kits for families with theme-based programs (e.g., mindfulness, science experiments, ecological stewardship, nature exploration, art and faith, etc).

Assist with multimedia ways to develop learning materials (could filming and video editing, , or other options depending on candidate interests).

Help lead creative community-building events (paint nights, music jams, nature excursions, book clubs community clean-ups, or other options depending on candidate interests).

This is a great opportunity for creative work! Applicants are encouraged to share their skillsets and ideas. Ideal for those with interest in education, religious studies, or social studies.

Because some of this will be remote, independent work, we are seeking candidates who are able to stay motivated and take initiative, with some team support and mentorship.

**7 weeks, \$16.50/hour, 35 hours per week (flex time available)**

**Eligibility:** because this is funded by Canada Summer Jobs, candidates must be between the ages of 15-30, legally able to work in Ontario, and must be either Canadian citizens or permanent residents, or hold refugee status in Canada (international students not eligible).

How to apply: send a cover letter and resume by July to Diana Brushey at [diana.brushey@kitchissippiuc.com](mailto:diana.brushey@kitchissippiuc.com) with "**Education Coordinator**" as the subject line.

## OUTREACH

**The Chaplaincy needs volunteers** to help with our breakfast program. It entails preparing and serving bagged breakfast, making, and serving tea and coffee and engaging with people in the neighborhood. We are looking for someone who will preferably be able to commit to 6 months or longer. The breakfast program runs from 9:30 am to 11 am every weekday and volunteers are expected to be at the Chaplaincy at 8:30 am. If you have other skills that might be of help to the Chaplaincy or you are interested in volunteering for other activities please feel free to reach out to Shemi at [programcoordinator@carlingtonchaplaincy.com](mailto:programcoordinator@carlingtonchaplaincy.com)

### CALLING ALL MUFFIN BAKERS!

The Carlington Chaplaincy is looking for people to donate muffins on a regular basis for our breakfast program. We provide an average of 400 healthy bagged breakfast every week to our community neighbours. For more information Contact Shemi at [programcoordinator@carlingtonchaplaincy.com](mailto:programcoordinator@carlingtonchaplaincy.com)

## UPCOMING MEETINGS AND EVENTS

**Book Club** –The book club meets on Tuesdays. We are studying “Everything Happens for a Reason” by Kate Bowler. For more info contact Jane Craig at [cjanec@sympatico.ca](mailto:cjanec@sympatico.ca)

**Men’s Group (online)** - Gentlemen of KUC and the wider community meet Thursday mornings from 9:30am to 11:00. Discussions are wide ranging, as we attempt to solve all the world's problems, every week. If you want to join the Men’s Group discussion please contact Doug Patriquin [patriquinfam@sympatico.ca](mailto:patriquinfam@sympatico.ca) or Clayton Porteous at [porteousclayton@outlook.com](mailto:porteousclayton@outlook.com) for the Zoom link.

## KUC LIVESTREAMING APPEAL

To improve our livestreaming capability and quality at KUC and increase the activities for which live streaming can be used, we would like to add:

A camera to be mounted on the south wall of the chancel (beyond the left-hand speaker in the picture below), to focus in on activities there—lectern, communion table, pulpit, piano, singers, organ—from a side angle, and on the congregation; and...

A camera to take good quality video of Kitchissippi activities and events outside the building, in the Alcove Garden and in front of the church. These cameras would be wired and controlled remotely, from the balcony. The cost of the chancel camera and installation will be \$2700, and the outside camera a maximum of \$1500.

**The church technology budget and already pledged donations will cover at least half the cost; we are looking to raise up to \$2000 from congregational members who would like to support these enhancements.**

### Why these additions to our system?

The chancel camera would provide close-up shots of activity in the chancel area, taken from a side view. Having multiple camera angles is a well-established approach to produce scenes that capture and keep an audience's interest. During a wedding in November, for example, we tried to get shots of the bride coming down the aisle, the vows and so forth, using an iPhone on a tripod, but it didn't work well. The images broke up or froze, largely because the camera was transmitting to the balcony system via wifi rather than wire.

This camera would also make the transitions between shots of different activities (e.g., from the lectern reader, to choir, to minister in the pulpit) smoother and faster than is possible at present.

Kitchissippi puts on a number of outside activities on our beautiful grounds, both in summer and in winter, which we would like to capture and use in our livestream broadcasts. The portable, 'outside' camera would enable us to do that.

Our tech team, which now consists of four young operators, is working on more advanced camera and presentation techniques than we started with last year. These added cameras will support what they are trying to do, as well as enhance our visual livestream coverage significantly.

If you would like to help this project financially, please make a donation to Kitchissippi, marked "For camera purchase". There are several ways to do this:

- 1) Secure Interact e-transfer, to [donations@kitchissippiuc.com](mailto:donations@kitchissippiuc.com)
- 2) Online donation via Canada Helps, at: [www.canadahelps.org/en/charities/Kitchissippi-United-Church](http://www.canadahelps.org/en/charities/Kitchissippi-United-Church)
- 3) Via an adjustment to your PAR (Pre-Authorized Payment)
- 4) Mail a cheque to Kitchissippi United Church, 630 Island Park Drive, Ottawa, ON, K1Y 0B7, or
- 5) Cash or cheque in a marked envelope on a Sunday collection plate.

We believe adding these cameras will add new dimensions to Kitchissippi's livestream outreach and hope you will support the project.

*Doug Patriquin (Chair of Trustees) and Ian MacGregor (Chair of Council)*
