UPCOMING EVENTS

Sunday September 1st - Rev Daniel will be leading the worship service.

Sunday September 8th is WELCOME BACK SUNDAY! For all those who travel and holiday during the summer and we welcome students back from summer holidays too.

To celebrate, a potluck lunch will be held.

We are looking for people to bring one of the following:

- 1) sandwiches - cut and plated.
- 2) vegetables - cut and plated.
- 3) cookies, squares or fruit - cut and plated.

More information will be provided concerning the potluck.

Note: We are not “looking for people” to bring food in one of the three selections, we are asking everyone to bring food in one of those three areas. Each person (or family) will bring something that is cut and ready to serve on a plate. This will make set up and clean up a lot easier for the kitchen help.

Thanks very much,
Jane Christie

Sunday September 15th is baptism Sunday!

Stay tuned for more dates in the next newsletter.

Summer blessings,
Jenni

UNITED CHURCH OF CANADA – FLOURISHING OTTAWA

Saturday September 14th, 9am - 4pm
Emmanuel United
691 Smyth Rd
Ottawa ON K1G 1N7

Spend a day with the Moderator engaging in reflection and energizing activities toward dream-oriented actions for our churches and communities. Open to all!

All around the world—from universities to the United Nations, from corporations to community organizations—people are talking about flourishing. Rooted in belonging, flourishing means living with purpose and joy, and bringing bold collaborative solutions to our world's challenges.

The Moderator, the Rev. Dr. Carmen Lansdowne, wants to bring that conversation to The United Church of Canada. She invites us to connect to one another in hope, with a deep conviction by a belief that, despite all the challenges of church life in this day and age, we can move from despair to transformation—from languishing to flourishing.

Is your church flourishing? (Perhaps that's the wrong question.)

Is your church contributing to the flourishing of your community?

How might we truly be a flourishing church in the world? How might we live in deep spirituality, bold discipleship and daring justice, linked from coast to coast to coast in ministry that transforms us and the world around us?
