THIS WEEK AT KITCHISSIPPI UNITED CHURCH

Good Friday to you!

I hope this finds you well and enjoying the warmer temperatures. Not great for skating on the Canal, but might give us hope that Spring will come?

Hopefully, you've received your Epiphany Star Word on Sunday, but if you weren't in church, Star Words will be available every Sunday through January. I didn't pick up a Star Word on Sunday, but when I was on a zoom call for the Moderator's New Year's address, I was given the word KINSHIP. (Once the recording is out, I will post it here.)

This coming Sunday, the Right Relations Circle will meet after church. Read more about it here: <https://www.kitchissippiuc.com/right-relations-2/> Members of the Circle encourage folks to join - to learn more about Right Relations with Indigenous folks and what Kitchissippi has done and will continue to do in the future.

Next Saturday, January 17th, at 6pm, we will welcome the Rev. Dr. Michael Blair, the General Secretary of the United Church of Canada. This is a Congregational Potluck, and all are welcome. Please let me know if you have any questions.

On Sunday the 18th, after church there will be a Worship Circle meeting, and folks are encouraged to become involved.

I'll leave you with this beautiful poem, that I did not write, but that resonates with me.

Epiphany Blessings,
Jenni

And if you asked me what I
wanted for the year ahead,
I would tell you that I want
people to feel known in whatever
space I share with them.

I want kind love rather than
perfect love.
Support rather than competition.
Compliments rather than criticism.
Listening rather than judgment.

I want oxygen to feel like peace.
So that every time I exhale,
I spread a quiet gentleness.

I want time for rest.
Time for reflection.
Time for healing.
And time with God.

I want to be so wealthy in
grace that it pours out of
everything that I do.

KUC RIGHT RELATIONS AND ECO-CHRISTIANITY GATHERING

After worship on January 11th, we'll gather for lunch and a short meeting in the KUC Sanctuary (11:30 a.m.–12:30 p.m.).

We want to talk about what comes next for Right Relations and eco-focused life at KUC. As part of that conversation, we'll share a few of the activities that have resonated most strongly in this community over the last twenty years—what worked, what didn't, and what might fit this moment.

This is an open table. Come to listen, to remember, or to bring a new idea.
