FROM REV JENNI'S DESK

Hello all,

I hope this finds folks well! Did you get your flu and covid shots yet? I did so this week and it was a great experience. Except the covid shot sight is a little red, but I'm sure it will go away soon.

A reminder that this Sunday, I am travelling to McKay United (on the steps of the Governor General's residence in New Edinborough), to be their anniversary speaker. They are also starting the Affirm process.

Please join us at Amica Westboro on Tuesday for singing and communion if you are in the area!

Blessings on your weekend,
Jenni

LET'S KEEP OUR CHURCH COVERED NOVEMBER 2026

Dear Church Family,

Over the summer you may have noticed some water leakage from the ceiling of the Upper Hall. Our church suffered from the heavy summer rainfalls as did many of our neighbours. Work has begun to replace the roof and insulation before winter. The total cost is **$64,000**.

Our church has a Building Fund which has been built up by members of Kitchissippi United Church and its predecessor churches over many years just for such a "rainy day". However, there is only **$24,000** in the Building Fund and our annual budget is in deficit. We need an additional **$40,000**.

Kitchissippi United Church is more than a building. It is a place of worship, prayer, fellowship, comfort, and hope. It is where we gather to celebrate life's blessings, support one another through difficult times, and grow together in faith.

Today, our church building needs us. The roof is an essential part of protecting the place where we worship and serve. A new roof is not simply a construction project — it is an investment in our church's future. We are asking every member to consider making a special contribution toward this important project. Whether your gift is large or small, every donation brings us one step closer to our goal. When we each do our part, our combined efforts can accomplish something wonderful. We are also reaching out to those who rent space in our building.

Let us remember that we are not just repairing a roof; we are protecting a place where faith is nurtured, lives are touched, and God's work continues.
Let us come together in faith, unity, and generosity to keep our church covered for years to come.
Please give as you are able, and let us build a stronger future for our church together.
